Sir

Subject — Adverting to Notification No L 6717/11 98-34-13 H S dated the 29th March 1935 calling for objections against the acquisition of certain lands in Vadigenahalli Village Bangalore Taluk for Mahomedan burial ground at the place I have the honour to state that the Preliminary Notification was duly published in the localities concerned

Some of the residents of the place presented a petition to the Dewan praying that the lands in question should not be acquired as they are situated in the middle of the Town surrounded by well houses and Asvathakatte and that much inconvenience would be caused to the women and children This petition was forwarded to this Office for disposal with your Memo No L 8259 dated the 28th May 1935 The Amildar held an enquiry into the allegations contained in the petition and recorded the statement of some of the signatories to the petitioner They have stated before the Amildar that they have no objection to the lands in question being acquired as their dwelling houses are situated far away and that they affixed their thumb impression to the petition as they were given to understand that they would be deprived of their well if the land is acquired The Amildar reports that most of the signatories are Adi Karnatakas being illiterate and that this is the work of one or two persons interested in the lands and the dwelling houses are situated far away from the area to be acquired

The spot in question was selected by my ~~predecessor~~
